- Local Reentry Council
- Juvenile Crime Prevention Council (JCPC)

Specialty Treatment Courts

Alvin D. Chestnut, DWI Coordinator

Specialty Treatment Courts

- Sobriety (DWI) Court
- Veterans Court
- Juvenile Drug Court
- Adult Drug Court
- Family Drug (Opioid) Court
- Mental Health Court
- Human Trafficking (WORTH) Court

Sobriety Treatment Court Overview

Mission: Prohibit use of alcohol and any other illegal substance and assist participants in their recovery process

**Sobriety Court helps participants achieve sobriety. **

Purpose: Providing safety for our community by monitoring high-risk DWI offenders

Requirements: Must be a resident of Cumberland County, Convicted of Level A-1, L-1, or 2 DWI within 7 years and receive an additional DWI charge while awaiting on previous DWI charge

Duration: Time is determined by Judge during sentencing; typically, a participant can be placed on the program for 12-18 months

Alcohol/Speed Related Fatalities

- Most alcohol-related fatalities occur in Mecklenburg, Wake, Guilford, Robeson, Cumberland and Forsyth counties, accounting for 30% of all alcohol-related fatalities in the State
- Speeding/motorcycle involvement crashes are highest among males, younger drivers and motorcycle riders
- Mecklenburg, Guilford, Wake, Robeson and Cumberland counties have the largest number of speeding-related fatalities – account for 31% of all speeding-related fatalities in the State
- In comparison with passenger vehicle crashes, motorcycle crashes disproportionately occur on rural roads, are single vehicle crashes and involve alcohol
- Wake, Guilford, Cumberland and Mecklenburg account for 20% of the state's motorcycle fatalities

Sobriety Treatment Courts Monitoring

Participant Responsibilities:

- Attend court sessions every other Wednesday
- Continuously wear alcohol monitoring bracelet for a minimum 60 days, provided there are no violations. *Clients are required to pay for bracelet and monitoring.*
- Complete DWI/MH Assessment
- Report for random drug screens

Sobriety Treatment Court Offers

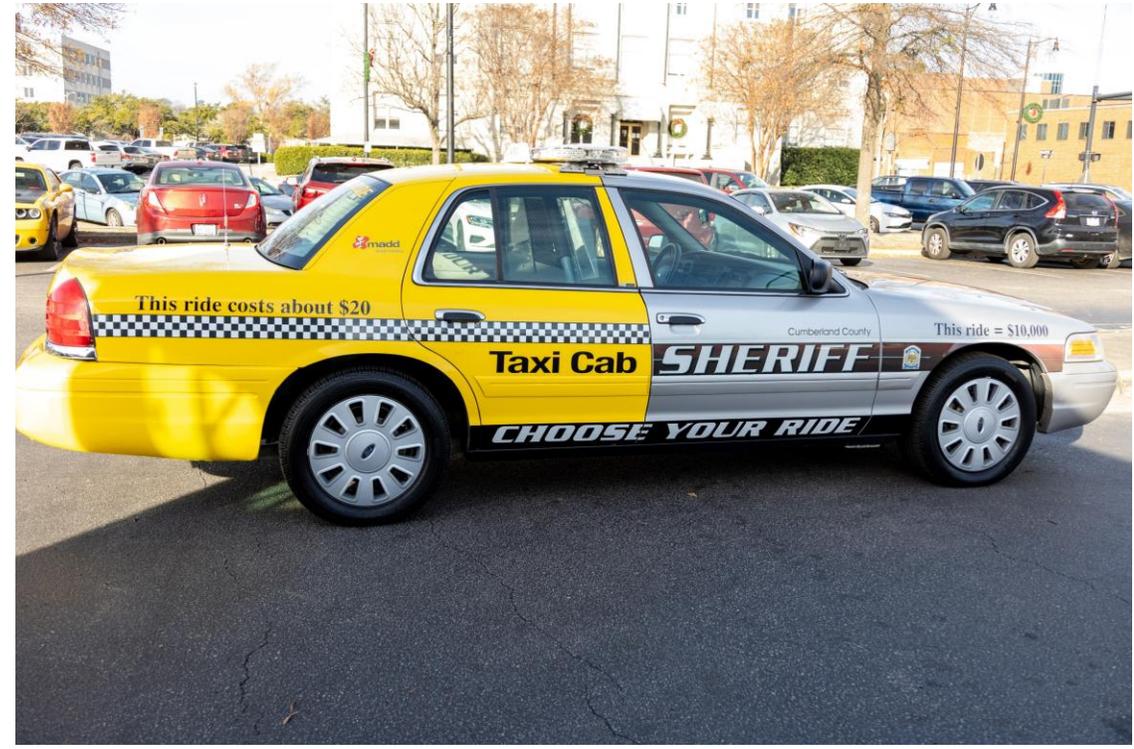

- Alternative to jail
- Providing safety for our community by intensive monitoring of high-risk DWI offenders
- Treatment housing and inpatient treatment facility
- Educating individuals about the dangers of alcohol through counseling
- Reduce recidivism rate
